

Brody Neuenschwander 2 day workshop

Supply List:

Teacher will bring:

- several hand-made pens that the students can keep.
- walnut inks in powder form for all to share

PSC will provide:

- 10 half sheets of Arches Text Wove p/student

Students should bring:

- their own pens and markers, black ink,
- two or three small jars for ink, rag.,
- one or two short texts (can be just a sentence) with which to work.

Please find or compose texts that have real meaning for you. High literature is not necessary, but Hallmark sentiments will not do either. We may not have the time to explore the meaning of all texts in depth, but I find that it helps to work with words that have the power to move you. The best idea is to write the texts yourself, about an important experience in your life.
