

Madeleine Durham Paste Paper Workshop

Supply List

A kitchen type cellulose sponge. The kind that sometimes has a scratch pad on one side but WITHOUT the scratchy pad.

A couple of rags, i.e., old washcloths. (Sponge stays clean. Rags are for wiping up color.)

Lots of small plastic mixing cups or used yogurt type containers for mixing paste.

Clear plastic tumblers from the Dollar Store work well. 10 oz MAX. Not larger!!!

Plastic table cover. Dollar Store has tablecloths.

Paper - Cranes Lettra <https://www.letterpresspaper.com/lettra-sheets-120gsm/> Pearl White 25" x 38" Needs to be cut into 1/8 sheets.

Arches Text Wove - One large sheet cut into quarters.

Brush \$9.25 <https://www.dickblick.com/items/06204-4112/>

As many extra acrylic colors as you have on hand. These will need to be shared.

The following supplies are intended to be shared. Once enrollment is confirmed we will delegate a division of labor/purchases

Tubs to hold clean water to dip paper in - 6" deep maximum. 12" x 16" or larger.

(Under the bed sweater boxes work great. 1 for every 3 students. 1 for demo table.

Buckets that will contain dirty water - 1 for every two students to wash sponges out between papers.

Golden Acrylics in both tubes and fluid.
