

Dear PSC Members,

Today, Governor Brown announced a State of Emergency for the State of Oregon. While the Oregon government organizations have not given specific recommendations, our friends to the north have, among other things, advised us not to engage in non-essential contact with others. This advice is emphasized strongly for those of us over 60.

After careful consideration and in consultation with PSC Board members, I have decided to cancel our Member Meeting which was scheduled for Monday, March 9. I'm much more concerned for the health of our membership than that we gather Monday evening.

Our Membership Meeting Chair, Martha Gioia, will work with our speaker, Marilyn Zornado, to reschedule her presentation as early as possible.

To all of you I say, wash your hands, and practice all other advice from health authorities. Please take care of yourselves and stay healthy and strong!

Oh, and keep those nibs moving!

Warm Greetings,

Carol Orange

President, Portland Society for Calligraphy
