<p>CORA PEARL Website: http://www.corapearlcalligraphy.com/online</p>	<p>DECORATED LOMBARDIC CAPITALS In this one-day workshop, appropriate for all levels of experience, you will learn to make hand drawn Lombardic Capital letters, how to decorate them, and how to paint them. By drawing these letters you will learn to create consistency in letter weight and proportion through careful observation and practice. We will decorate these traditional letters in a modern way (as shown in student examples here). Skills that will be addressed include drawing letters, basic design, working with watercolors, and creating a color scheme. Live online on Zoom; workshop will be recorded and available for 30 days.</p> <p>UNCIAL CALLIGRAPHY Uncial is a beautiful ancient style of calligraphy that was commonly in use from the 4th to 8th centuries by Latin and Greek scribes. Writing in Uncial is a wonderful way to connect with the long history of calligraphic writing. The characteristically wide and round letters can be serious or playful. We will start with basic Uncial strokes and learn the whole alphabet moving on to spacing and words. This workshop is appropriate for beginners in Uncial writing and for those with more experience who wish to revisit the basics to revitalize and review this hand. Live online on Zoom; workshop will be recorded and available for 30 days.</p> <p>NEULAND LETTERING 3 WAYS: DRAWN, WRITTEN, AND PAINTED Neuland is a German typeface that was designed in 1923 by type designer, Rudolf Koch. It was made by carving the type directly into metal. Though it was never intended to be written by hand, lettering artists love writing it because the letters are so striking and playful. Neuland can be just the right style for a bold statement. In this workshop we will explore this lettering style by writing them, drawing them, and painting them. This is a great workshop for enjoying how letters change when made three different ways. Live online on Zoom; workshop will be recorded and available for 30 days.</p>	<p>Sat, Jan. 29, 2022 9:30 am—4:30 pm PST (with one-hour lunch break)</p> <p>Wed, Feb. 16, 2022 10:00 am—1:00 pm PST</p> <p>Sun, Feb. 27, 2022 9:30 am—4:30 pm PST (with one-hour lunch break)</p>
