

CALL FOR ENTRIES

2022 PSC Member ON-LINE Exhibit
SEPTEMBER 1 – OCTOBER 31, 2022

Entry Deadline: August 10, 2022

This exhibit allows calligraphers to not only explore the beauty of writing and design, but also empowers them to write word pairings that are personally meaningful. Your words can be either serious or playful, bold or subtle.

PROSPECTUS

- Members may submit two works.
- There is no size limitation.
- There is no framing requirement; frames will not be visible in photos.
- Adhere to photo requirements.

- This exhibit encourages the use of your own text. If you use words other than your own, please make sure that those words are in the public domain and not copyrighted. Generally, works older than 100 years are in the public domain, but there are exceptions. To make sure a work is in the public domain, type into a word search engine (such as Google): “Are the words of _____ in the public domain?” Just be sure the site you use is reputable. If the work is still copyrighted, you can contact the copyright holder for permission. Remember to always give credit on your artwork to the author.

- Work must have been completed within two years of the submission deadline and not shown in a previous PSC exhibit. Work must have been executed without step-by-step instruction, but it may have been critiqued by a teacher or critique group.
