INK AND FLUID MEDIA:

Higgins ETERNAL ink: non-waterproof, inexpensive, in a wide mouth bottle
Walnut ink-rich: sepia color made from Black Walnut tree, wide mouth bottle
Crystals are very handy for topping up the bottle
Vermillion (Red Sumi) Ink: bright orange, essential for Weathergrams
Winsor Newton watercolor and gouache tubes
Dr. Martin's Bleed Proof White
Watercolors: Prang Oval-8 and more!

TOOLS/EQUIPMENT:

Slant board, foldable and light, Plexiglas surface sheet
Nibs: Mitchell #1, #3 and #4
Brause #3, #2, and #1
Speedball C-2,3 and 5, B-3 and 5
Nib holders
Pilot Parallel pens-great for traveling and filled with different colored inks, 6.0, 3.8, 2.4
T-Square, 18" metal preferred
Ruler
Pencils, graphite and colored, Auto-pencil
Pencil sharpener
Eraser-Pentel Clic Eraser, white, refill
Wipes come in handy
Masking tape, not artist or painter's tape
Scissors
Paperclips
Glue stick-Uhu is the preferred brand, acid-free
X-Acto knife #11 and refill blades
Bone folder, Teflon is best
Mixing/loading brush
Sandpaper: 320-b waterproof
Protractor
Pipettes
Apron (optional)

Specific supplies per your workshop flyer
Notebook for making notes and some favorite quotes
Cutting mat

PAPER:

Practice paper-Capital Bond 11”x17” in a tablet
Canson Mi-Teintes Assorted Color paper and pads
Portfolio to keep practice paper and lined exemplars and practice sheets, so slightly larger than 11”x17”. This you can make your very own!

FREE STUFF:

Sponge, this can be cut into various sizes
Water jar with tight cap for your watercolors
Old glove with thumb and first finger removed for clean working
Absorbent rags for spill and mistakes
Plastic lid from a yogurt tub cut in a cross and used to stabilize ink bottles
Little spray bottle, distilled water
Empty ink bottle
Glass saucer/palette for gouache or two/little bowls
Two pencils the same size taped together
Chocolate
Coffee mug
